### **EXAMINER'S COMMENTS**

Commensurate with 37 CFR §1.141, dependent claims 3 and 11-16, previously withdrawn from consideration, have now been considered and rejoined with the remaining claims in view of the indicated allowability of generic claim 1.

Claims 4 and 7 have been cancelled, as directed.

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

The dependency of claims 5 and 6 has been changed to reflect their proper dependency on claim 1. With the cancellation of claim 4, the amendments to claim 1 and considering the limitations of a reinforcing block, as recited in claim 5, and a light material, as required by claim 6, it is clear that both claims 5 and 6 must now depend from claim 1. Although this change was not discussed with applicant's attorney, the need for said changes is self-evident.

#### **IN THE CLAIMS:**

Claim 5, line 1, "4" has been CHANGED to --1- -;

Claim 6, line 1, "4" has been CHANGED to --1- -.

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: Claims 1, 2, 3, 5, 6 and 8-19 are allowable over the prior art references of record in view of applicant's remarks regarding the opening in the rear cavity at the rear side of the golf club head in combination with the reinforcing block and reinforcing layer. See REMARKS, page 7, line 14 through page 8, line 10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sebastiano Passaniti whose telephone number is 571-272-4413. The examiner can normally be reached on Mon-Fri (6:30-3:00).
